## UDAAQ - WTRESCLN

Category Code: P1

NSF Registration No. 166542

**This product is acceptable for use as a resin cleaner (P1) in and around food processing areas. The product must only be used in such a manner as to ensure it will have neither direct nor indirect contact with food and potable water. Use must also be consistent with the manufacturer's directions.**

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
